NARRATIVE: Barnes & Thornburg LLP's Columbus office opened in April 2009 to better serve the firm's clients doing business in Ohio, and to offer to Ohio businesses and business people what we believe is a unique platform - a large full-service firm focused on Midwestern and other U.S. markets, plus a value-based approach resulting in effective and cost-effective client service. It is one of four new offices opened by the firm in 2009.

The office was opened by established Ohio practitioners eager to bring to Ohio the firm's passion for excellence and client service as well as a national labor and employment practice group platform. The office has since expanded the services provided to our clients. The office also provides an entry point for Ohio clients to the firm's full range of services.
