Since its inception in 1983, *Best Lawyers* has become universally regarded as a definitive guide to legal excellence in the United States. *Best Lawyers* is based on an exhaustive peer-review survey in which more than 24,126 leading attorneys throughout the country cast more than 2.8 million votes on the legal abilities of other lawyers in their specialties. Because of the rigorous and

transparent methodology employed by the publication, and because lawyers are not required or allowed to pay a fee to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Corporate Counsel* magazine has called *Best Lawyers* “the most respected referral list of attorneys in practice.”

*With nearly 540 attorneys and other legal professionals, Barnes & Thornburg is one of the largest law firms in the country. The firm serves clients worldwide from its offices in Atlanta, Chicago, Indiana, Michigan, Minneapolis, Ohio and Washington, D.C.*
