## Fort Wayne Journal-Gazette - Patently Speaking - Foam Pump Gets Upgrade

November 22, 2015 | [Fort Wayne](#)

Greg Cooper of the Fort Wayne, Indiana office of Barnes & Thornburg LLP authored the column, "Foam pump gets upgrade," for the Oct. 11, 2010 edition of the Fort Wayne Journal-Gazette. Greg's column, "Patently Speaking," appears weekly and highlights various patents issued by the U.S. Patent and Trademark Office.

Greg Cooper is a member of Barnes & Thornburg's Intellectual Property Department. He represents both individuals and corporations in the areas of U.S. and foreign patent procurement, trademark and copyright registration, non-disclosure agreements, trade secret law, and intellectual property enforcement and licensing.
