### **Barnes & Thornburg Advises BlossomHill Therapeutics In \$100 Million Series B Financing Round**

February 29, 2024

Barnes & Thornburg's corporate and intellectual property attorneys advised BlossomHill Therapeutics, Inc., a biotechnology company focused on the design and development of small molecule medicines for treating cancer and autoimmune diseases, on its \$100 million Series B financing round.

**The financing**, which brings the total capital raised by the company to \$173 million, will be used to advance the company's pipeline of in-house discovery and development programs for multiple high-needs cancers and autoimmune diseases.

The company is based in San Diego.
