Fort Wayne Journal-Gazette - Patently Speaking - "Air Freshener Redesign Makes Scents"

November 20, 2015 | [Fort Wayne](#)

Greg Cooper of the Fort Wayne, Indiana office of Barnes & Thornburg LLP penned the column, "Air freshener redesign makes scents," for the Dec. 7, 2009 edition of the *Fort Wayne Journal-Gazette*. Greg's column, "Patently Speaking," appears weekly and highlights various patents issued by the U.S. Patent and Trademark Office.

Greg Cooper is a member of Barnes & Thornburg's Intellectual Property Department. He represents both individuals and corporations in the areas of U.S. and foreign patent procurement, trademark and copyright registration, non-disclosure agreements, trade secret law, and intellectual property enforcement and licensing.
