## I AM...

- An African-American Muslim
- An old soul
- A traveler and aspiring outdoorsman
- A proud member of the first black intercollegiate fraternity, Alpha Phi Alpha Fraternity, Inc.
- Happiest when listening to my hip-hop, R&B, jazz or soul playlists
- Someone who watched the same stand-up comedy shows on YouTube repeatedly and laughs like I've never seen them before
- A lover of films set in the 1950s and '60s
- At my best when in a nicely tailored suit
- Someone who cares deeply about educational access and economic justice
- A loyal Indy sports fan, even when it hurts
