I AM...

- Learning daily what it means to be a disciple of Jesus
- Blessed to be the husband of an incredible artist and father to three fabulous kids
- Always wondering what a different life I would have had if I had pursued being a professional bowler
- A lover of camping and hiking, especially in the New York Adirondack Mountains
- Always tapping out Morse Code in my head as a lingering side-effect of getting my ham radio license at age 12
- Constantly asked by strangers if I know that I have the same name as Ringo Starr...and then I get to tell them great stories related to it!

“Say ‘Yes’ more than ‘No.’”
