- A former competitive gymnast who trained for 10 years
- A proud father of two awesome girls who love to dance
- A husband to a double- Ivy-League-educated, loving wife whose brownies should be world famous
- Someone who knows that single track trails on his mountain bike are his happy place
- Tech and social media savvy
- A clothes horse

- Crazy about rock music and was ready to liquidate his 401(k) to see the Led Zeppelin reunion show at the O2, if I won the ticket lottery
