

SPEAKING ENGAGEMENTS

The What, When's And Why's Of Debt Financing Solutions

DATE

January 13, 2021

SPEAKERS

Troy Zander
Partner

Troy Zander made a virtual presentation, "The What, When's and Why's of Debt Financing Solutions," at BioXchange in conjunction with the JP Morgan Healthcare Conference. The panel discussed hot topics and innovation opportunities across life sciences and healthcare. Troy's experience guided the discussion on how entrepreneurs are raising capital and strategically using debt, what is the proper use and timing for venture debt, along with the overall benefits of using venture debt.
