I AM...

- One of seven siblings (so I'm still fighting for your attention and affection)
- Sporting a tattoo I was forced to get because I didn't go with my dad and brother to see Georgia (finally!) win the national championship in Indianapolis this year
- Anxious to speak to someone at ABC about ways to improve The Bachelor (shouldn't it be Pete Davidson this year?)
- Capable of bench pressing 315, I just choose not to
- Learning to play the piano so that I can write my musical set at a law firm (first number: "Sounds Like a Tax Issue")
- Interested in hearing about your dreams or nightmares
- Already nervous about the day I meet Tom Hanks and ask him to read lines from my favorite movie, Castaway
- Always looking for ways to use a whiteboard after working as a teacher in Hong Kong for two years
- Totally reliant on my colleague in the funds group, Maria Monte, when it comes to difficult legal drafting and life decisions
- Hoping that one day the MARC, VRE, Amtrak and DC Metro lines are combined into a single coherent regional rail system
