The start of a new year brings new challenges and opportunities for Indiana's bioscience business community. With a number of impending changes on the horizon, it is critical to be informed on the factors that will be impacting affecting how you do business. Please join us as our panel shares their thoughts on the issues that will be driving changes and trends in federal public policy, regulatory science, IP protection, and investment funding in the year ahead.

Presenters

Gretchen Bowker, Chief Executive Officer, Pearl Pathways

Kristin Jones, President and CEO, Indiana Health Industry Forum

Deborah Pollack-Milgate, Partner, Barnes & Thornburg
