### The Storm Before The Storm: Redesigns

#### DATE

**February 28, 2024**  
**2 p.m.-3 p.m. (Eastern)**

## SPEAKERS

**Juanita  
DeLoach, Ph.D.**  
Partner

**Adam M.  
Kaufmann**  
Partner

Our webinar series on International Trade Commission (ITC) actions continues in 2024.

A company sued for patent infringement at the ITC has 30 days after the complaint is filed to consider its options and prepare to defend itself before the investigation and broad discovery begins.

This session will provide attendees with best practices regarding what some view as a silver bullet defense: redesigned products.

1.0 hour CLE credit pending.
