Partner

## **RELATED PRACTICE AREAS**

Environmental

Barnes & Thornburg is pleased to sponsor the first annual Midwest Environmental Compliance Conference (MECC) scheduled for October 29-30 in Chicago.

Registration is now open. \*Regulated facilities receive a discount from the Standard Rate. \*Additional price break for any company sending three or more. One of the many issues to be addressed in this two-day event is EPA's "Next Generation Compliance." David Hindin, OECA, EPA, is our keynote on the topic. The article below addresses what Next Gen means and why facilities should care.

We hope you will join us for this information-packed new regional event. The MECC is your one-stop conference for compliance tips; timely regulatory, policy, legal and practice updates; and networking with regulators and peers.

**When:** Thursday-Friday, Oct. 29 & 30

**Where:** Chicago Marriott O'Hare | 8535 W. Higgins Road | Chicago, IL
