Join us as we highlight and recognize the success and influence of women in the life sciences industry. There are as many stories as there are paths to the top and each woman's individual contribution helps pave the way for those coming up through the ranks. Whether it is about following your passion, finding your niche or growing your team, please join us as we hear from a panel of women leaders sharing their stories and acknowledging those who have helped and inspired them.

PANELISTS

Catherine Ann Cassidy, Senior Director of Strategy and Operations for Early Phase Development, Eli Lilly and Company

Natalie Sutton, Chapter Executive, Alzheimer's Association

Yvonne Lai, Director of Research & Development, Indiana University
