In this monthly interactive webinar, our thought leaders will engage with you on mission-critical topics in workforce planning. Designed for busy business leaders, HR professionals and the in-house counsel supporting them, C-Suite Dialogues combines efficient presentations and live breakout rooms with our panelists for candid conversations on what interests you. This month's focus:

- **Overcoming Labor Shortages in the Forever Pandemic**

Christina Janice

The latest on the Biden administration's push to federalize vaccination mandates, the "great resignation," and strategies to keep your business in business

- **Federal Contractor COVID-19 Vaccine Mandate**

Mark Kittaka

Updated agency guidance and status of legal challenges by the states

- **What a Bargain!**

David Weldon

Partnering with your bargaining units to navigate public health mandates within the four corners of your collective bargaining agreement

- **Over the Horizon Litigation**

Mark Wallin

Vaccination mandate class action lawsuits and what they mean to your risk mitigation strategy

- **Green New Deal**

Terese Connolly

Evaluating your retirement plans to take advantage of the administration's new protocol favoring investments based on environmental, social and governance (ESG) factors

There will be breakout videoconference rooms for you to dig deeper with our panelists on topics of interest to you. You may ask questions real-time through our digital tool or submit them when you register.
