Join us for a one-of-a-kind chess tournament fundraiser for the We The People citizen and constitution program, which promotes civic competence and responsibility among Indiana's elementary, middle and high school students! This tournament will pit plaintiff attorneys against defense attorneys, as well as some judges, in a head-to-head chess tournament.

We will also have a youth division. The top-ranked finishers from both divisions will advance to a "simul" in which Chess Grandmaster Fidel Corrales Jimenez of Boston, Massachusetts, will simultaneously play all players in individual games.

We the People is an Indiana Bar Foundation program.

Space is limited, please register today!
