

Elisa Mineck Harris is an experienced attorney with a demonstrated history of serving as counsel to both innovative startups and large healthcare entities regarding regulatory, corporate and reimbursement matters. Elisa provides strategic legal guidance to support the fluid operations of healthcare organizations.

Elisa is well-versed in Medicare Advantage, managed care contracting and structures, healthcare, health insurance and value based initiatives. As in-house counsel for Nashville healthcare and hospital systems for more than a decade, including serving as general counsel for an innovative start up from its early days to successful sale and exit, she advised on a wide range of matters involving regulatory compliance, Medicare and Medicaid reimbursement, managed care contracting, HIPAA, and fraud and abuse.

She advises on contracting and regulatory compliance, risk-based initiatives, commercial, health insurance exchange and self-funded lines of business.

Elisa returns to private practice with a passion for guiding healthcare providers by offering practical and innovative legal counsel.
