

SPEAKING ENGAGEMENTS

Information Systems Security Association

DATE

March 23, 2023

SPEAKERS

**Carrie Marie
Raver**
Partner

Carrie Raver participated in a panel discussion on cyber insurance for the Northeast Indiana chapter of the Information Systems Security Association (ISSA), a not-for-profit international organization dedicated to the advancement of information security awareness, at the Ash Building in Fort Wayne. The audience consisted of 60 people, including chief financial officers, controllers and security professionals at local companies. The other panel members were Bob Francis, vice president and chief information officer of Steel Dynamics; Brian Collentine, director of IT infrastructure at PHP; and Nikki Galbraith, market president-Fort Wayne of Hylant.
