

SPEAKING ENGAGEMENTS

PFAS And Beyond: Emerging Contaminants Regulation, Litigation, Recent Science, Risks And Liabilities

DATE

December 13, 2022

SPEAKERS

**Charles M.
Denton**
Partner

Charlie Denton presented at a Strafford live webinar, "PFAS and Beyond: Emerging Contaminants Regulation, Litigation, Recent Science, Risks and Liabilities." Charlie provided PFAS litigation updates, a Holland & Knight lawyer from Boston reviewed EPA regulatory developments, and a Ramboll consultant addressed technical issues. The program will also be available on demand. Jennifer Baker prepared the CLE course materials on PFAS litigation developments.
