As the pandemic continues making its mark on our way of living, the higher education industry is facing a challenging, multi-faceted financial environment. Members of the firm's Higher Education Practice Group will be discussing several angles contributing to the questions you are likely to face in the days ahead.

Those topics include:

- Immigration – ongoing issues related to international students and their pending return in the fall
- Business ramifications campus-wide, including:
  - Endowment usage

- Athletics uncertainty
- Additional stimulus money, and more
- Legislation and governmental relations – regulatory activity and engagement as the pandemic progresses

1.0 hour CLE credit pending.
