Did you know that ICE I-9 audits have more than quadrupled between 2018 and 2019? And the costs of non-compliance with I-9 guidelines continue to rise as raids and penalties increase. Have you received a Social Security Agency No-Match letter, and do you know how to deal with one? What is the connection between no-match letters and immigration enforcement?

During this session, learn about these topics and more, and expect to walk away with a better understanding of the practical strategies your establishment can adopt to protect yourself during these increasingly risky times.

1.0 hour CLE and HRCI credit pending. This program is valid for 1.0 PDCs for the SHRM-CP® or SHRM-SCP®
