February 1, 2023 | [Indianapolis](#) | [Minneapolis](#)

Connie Lahn, Jonathan Sundheimer and Alan Mills authored two chapters in the 2023 edition of Thompson Reuters' Strategic Alternatives For And Against Distressed Businesses. This is the only book that provides comprehensive state-by-state comparisons of assignments for the benefit of creditors and receiverships. Strategic Alternatives provides an overview of Chapter 11 and of all the various alternatives to Chapter 11 – both from the company's (i.e. debtor's) perspective as well as from the perspective of creditors and other constituents.
