Indiana Economic Development Association's Newsletter - "Indiana Tax Increment Financing Law: Challenging The Common Misconception That All Funds Allocated To TIF Districts Would Otherwise Provide Additional Funding For School Corporations And Other Underlying Taxing Units"

January 31, 2017 | [Indianapolis](#)

Tom Pitman of the Indianapolis office authored an article "[Indiana Tax Increment Financing Law: Challenging the Common Misconception That All Funds Allocated to TIF Districts Would Otherwise Provide Additional Funding for School Corporations and Other Underlying Taxing Units](#)," which was published in the Indiana Economic Development Association's email newsletter. The article was also published by [Accelerate Indiana Municipalities](#), formerly known as Indiana Association of Cities and Towns (IACT), and the Indiana Municipal Lawyers Association.
