FinTank - "Blockchain Stimulates Creative Problem-Solving"

September 26, 2017 | Chicago | Dallas

Will Turner and Trace Schmeltz of the Chicago office and Jon Hyland of the Dallas office authored a guest blog, "Blockchain Stimulates Creative Problem-Solving," published by FinTank on Sept. 26. They discuss their perspectives and an upcoming Blockchain Summit taking place on Oct. 10. Will was also recognized as one of FinTank's "Top 40 Chicago Clockchain Thought Leaders."
