Is your company returning to the office after over a year of remote work? Join us for answers to some of the unexpected questions raised by reopening an office after a year of remote work. We'll discuss unexpected employment, data privacy, and real estate and leasing issues. Topics will include:

- Data Privacy
 - What employers should check before reopening the office
 - What employees should do before returning to the office
 - What to check when working in a hybrid environment
- Employment

- Developing a plan to return to the office
- Employee vaccination policies and approaches
- Remote work as an essential function: the changing landscape of ADA
- Real Estate
 - Approaches taken by landlords, tenants and lenders in response to the pandemic
 - Market reactions to the pandemic in the different real estate sectors
 - What to expect and how to plan for the future
