

## SPEAKING ENGAGEMENTS

### Attorney Presentation - “Michigan Vapor Intrusion Issues And Implications For Industry”

#### DATE

October 17, 2017

#### SPEAKERS

**Charles M.  
Denton**  
Partner

At the Michigan Chemistry Council (MCC) Annual Conference held in Lansing, Michigan, on Oct. 17, Charlie Denton of the Grand Rapids and Atlanta offices presented “Michigan Vapor Intrusion Issues and Implications for Industry.” He also moderated sessions on toxic air emissions and PFOS/PFOA, which are emerging contaminants. Earlier in the day, Charlie was re-elected to the Michigan Chemistry Council Board of Directors, and continues as chair of the Government Affairs Committee.
