I AM...

- A person who believes that everyone should live their best life!
- From Detroit, Michigan, and a wife, a mother and a person who wears many hats like most moms.
- Able to achieve my best life by enjoying gardening, yoga, meditation, reading and weekend trips to Santa Barbara
- A coffee addict who also loves exotic teas and enjoys planting organic gardens yearly so I can feed my family better food
- A creator of organic body butters, lotions and foot scrubs, and I make them for my family and friends to enjoy
- A true animal lover! When I was about 6 years old, I made friends with an owl that would come and visit our yard
- A spiritual adviser who loves to motivate and encourage people to live their best life
- An awesome cook and Pinterest is my best friend for recipes from all over the world
- A very strong believer in equality and peace for all
- A person who believes God loves each and every person equally and no one has the right to make a person feel otherwise
