I AM...

- A former roller derby jammer
- The third generation of postgraduate degree holders in my family
- An adventurous eater of all foods, but I can't seem to swallow fruit
- A native Michigander living in Minnesota
- A runner, whether I like it or not
- An introvert
- A millennial homeowner, voter, and cable TV subscriber
- A devoted and unashamed fan of late '90s/early 2000s pop-punk music
- The wife of a patient and loving husband and future mother of two kittens
- The only child and only grandchild to my very proud parents and grandmother
