

Attorney Presentation - "Patentability In The Medical Diagnostics Industry After Ariosa"

DATE

May 18, 2016

SPEAKERS

Jeffrey R. Stone
Partner

On May 18, Jeff Stone of the Minneapolis office presented, "Patentability in the Medical Diagnostics Industry after Ariosa," during the American Intellectual Property Association (AIPLA) Spring Convention in Minneapolis. In his presentation, Jeff suggested an alternate way to handle patentable subject matter issues. He also [co-authored an article](#) of the same title for the AIPLA website.
