Strategic Alternatives For And Against Distressed Businesses

February 13, 2019 | [Minneapolis](#)

Connie Lahn and Christopher Knapp each authored chapters in Strategic Alternatives for And Against Distressed Businesses, 2019 ed. The treatise provides an overview of the options available to a distressed business and its creditors and constituents, in connection to bankruptcy. The 2019 edition includes common practices, processes and procedures, along with analytics regarding tax decisions and liability of officers, directors and employees of insolvent corporations, and details relating to ABCs (assignments for the benefit of creditors) and receiverships.
