In the first decade of his practice, Cavallaro has established himself as a trusted adviser to some of the largest banks and financial institutions in the country. recognized as one of *Minnesota Lawyer's* Unsung Legal Heroes. Manty and his fellow honorees were recognized for their talent and dedication in the legal support profession.

Manty is passionate about giving back and making a difference in the Minneapolis/St. Paul legal community. He serves as the communications director for the Association of Legal Administrators Minnesota (ALAMN), where he led the final stages of launching a new website and developed a communications strategy for the chapter.
