Employment Law Developments for 2024: Critical Issues for HR

During this program, Barnes & Thornburg's Janilyn Daub will break down key developments to watch in 2024.

- The broad and ever-growing reach of the National Labor Relations Board on non-union employers
- Developments in discrimination laws and trends in Equal Employment Opportunity Commission enforcement
- New and proposed changes by the Department of Labor affecting employee classification

Member cost is \$20, guest cost is \$25.
