With more states legalizing both medical and recreational marijuana use, Barbara Dunn and Norma Zeitler of the Chicago office, along with Bill Nolan of the Columbus office, presented a lively and informative webinar on how these laws impact employers before, during and after the employment process. The webinar, "Medical and Recreational Marijuana: Strategies to Keep Up with Rapidly-Changing Laws," was presented on Aug. 28 to members of the Food Processing Suppliers Association (FPSA). This webinar was an opportunity to continue to showcase the value that Barnes & Thornburg attorneys bring to FPSA members in connection with the discounted legal services program the firm has in place with FPSA.
