The West Virginia Chemical Spill And Environmental Liabilities In A Post-Apex World

October 31, 2014 | [Indianapolis](#)

The American Bankruptcy Institute selected an article co-authored by Rubin Pusha of the Indianapolis office for inclusion in this year's "Best of ABI 2014: The Year in Business Bankruptcy." The article is entitled, "The West Virginia Chemical Spill and Environmental Liabilities in a Post-Apex World," and appeared in the *American Bankruptcy Institute Journal's* April edition.
