

SPEAKING ENGAGEMENTS

National Business Aviation Association Business Aviation Taxes Seminar

DATE

May 2, 2019

SPEAKERS

Todd A. Dixon
Partner

Todd Dixon of the Grand Rapids office spoke at the National Business Aviation Association's (NBAA) Business Aviation Taxes Seminar on May 2 in Marina del Rey, California. Todd spoke on leasing structures and associated risks, including how a lack of understanding of proper structuring is resulting in a major crack-down by the FAA and IRS on alleged "illegal charter" operations. Representing more than 11,000 companies and professionals, the NBAA is the leading organization for companies that rely on general aviation aircraft to help make their businesses more efficient, productive and successful.
