

SPEAKING ENGAGEMENTS

Estate And Tax Issues For Individuals With Taxable Estates

DATE

June 22, 2017

SPEAKERS

Douglas S. Robson Partner

Wealthy individuals with taxable estates – net worth in excess of \$5.49 million per individual or \$10.98 million per married couple – face significant estate and tax issues. This program will focus on:

- The pitfalls of probate
- Benefits of a revocable trust
- The "portability" of the federal estate tax exemption
- Succession planning for closely held businesses
- The use of business principles to protect and transfer personal wealth
- Family Limited Partners/Family Limited Liability Companies
- The use of irrevocable trusts to:
 - o "replace" the estate tax liability
 - o "freeze" the value of your taxable estate
 - o "protect" your principal from creditor

The speakers will discuss techniques that are applicable to both the closely held business owner and individuals with a portfolio of investments, including:

- Grantor Retained Annuity Trusts (GRATs)
- Intentionally Defective Irrevocable Trusts (IDITs)
- Qualified Personal Residence Trusts (QPRTs)
- Charitable Remainder Trusts (CRTs)

Speakers: Douglas Robson, Barnes & Thornburg and Marv Hills, Crowe
