#### I AM...

- A Trekkie, with a heart big enough to embrace Star Wars and Harry Potter – Live long and prosper
- The wife of a U.S. Marine, who is a Navy brat, and the mother of an Air Force veteran
- A faithful supporter and state-level officer of the Marine Corps League
- A lover of ocean cruising, limited so far to the Caribbean, but I have big plans for the future
- Pennsylvania Dutch born and raised, and proud of it. Scrapple, anyone?
- A believer in God's saving grace
- An avid camper, although I've traded in the tent and air mattress for a travel trailer
- Thrilled to be celebrating more than 38 years with my supportive and understanding husband
- Proud to be an American and ever grateful for the sacrifices of so many that continue to ensure our liberty and freedom
- Honored to be a part of the Barnes & Thornburg team and thankful for the opportunity to work with exceptional colleagues in Atlanta and beyond
