Erik Rickard: I Am Barnes & Thornburg

I AM...

- Trying to instill my love of roller coasters in my kids – still working on my youngest
- The father of an 8-year-old son and a 6-year-old daughter, who I usually describe as wonderful (but ask me tomorrow to see if that has changed)
- Happily married to my wife for over 14 years
- A coach of several of my kids' teams, where I have to practice my patience on a daily basis
- A snow skier who is quite happy staying in green runs
- A proud native of the great state of Ohio

“Don’t focus too much on the future or you will miss the joys of today.”
