

SPEAKING ENGAGEMENTS

Renewable Energy Projects At Brownfield Sites

DATE

May 7, 2019

SPEAKERS

**Charles M.
Denton**
Partner

On May 7, Charlie Denton of the Atlanta office presented “Renewable Energy Projects at Brownfield Sites” together with SolAmerica for the Georgia Brownfield Association. This program gave business, environmental and regulatory perspectives to be considered when evaluating Brownfield redevelopment projects incorporating renewable energy. The program was hosted in the Atlanta office, with about 30 attendees from real estate development, renewable energy and engineering consulting firms, and from the U.S. EPA.
